

About Diamond Hill

Diamond Hill invests on behalf of clients through a shared commitment to its valuation-driven investment principles, long-term perspective, capacity discipline and client alignment. An independent active asset manager with significant employee ownership, Diamond Hill's investment strategies include differentiated US and international equity, alternative long-short equity and fixed income.

Our values

Our core values guide us to make smarter decisions and embrace a long-term mindset that benefits our clients and us all.

A consistent foundation that drives results

Active, fundamental approach
Capitalizes on our intellectual curiosity and unique insights

Ownership
Builds the conviction needed to invest over the long term

Long term
Looking past the near term noise to realize the benefits of our deep research

Valuation discipline
Requires investing at a discount to underlying value with a long-term mindset

Strategic capacity management
Protects our ability to generate competitive investment outcomes
