from Columbus CEO Magazine***

COLUMBUS, OHIO, May 5, 2021 – Diamond Hill Capital Management, Inc., an independent active asset manager and subsidiary of Diamond Hill Investment Group, Inc. (NASDAQ: DHIL), has been named a Top Workplace by Columbus CEO magazine for a sixth year. The Top Workplaces list is based solely on employee feedback gathered through a survey administered by Energage LLC, a leading provider of technology-based employee engagement tools. The anonymous survey uniquely measures 15 culture drivers that are critical to the success of any organization including alignment, execution, and connection. Diamond Hill added custom questions on inclusion to further its commitment to DEI initiatives.

Diamond Hill associates enjoy a working environment that supports professional and personal growth, thereby enhancing associate satisfaction, the productivity of the firm, and most importantly, the experience of our clients. Every Diamond Hill associate is not only an owner in the firm but also an investor in its strategies which include long-only equity, alternative long-short equity, international and fixed income.

“Being recognized as a Top Workplace is always an honor but it is especially meaningful during the challenging times experienced in 2020. I am amazed by our associates’ resilience, adaptability, accountability, and commitment to our clients and each other. There is no finish line for efforts to improve employee experience or foster an inclusive workplace. We are pleased our associates share their sentiments openly, and that they help Diamond Hill remain a top workplace,” said Anna Corona, Chief People Officer. “We are proud to receive this recognition for a sixth year.”

CEO Heather Brilliant added “Our associates have done an amazing job during a difficult year. It was great to see survey scores that show a high degree of trust in our managers and that our team members feel supported.”

Diamond Hill offers competitive compensation and benefits, as well as a meaningful opportunity to make an impact. We offer a remarkable 401(k) match program, and our associates receive a new hire stock grant to ensure they feel like an owner—because they are. We take care of our associates and their families with generous paid time off policies and health insurance (medical including fertility, dental, vision, disability and life). The firm is also committed to providing a healthy workplace for our associates. Wellness initiatives include subsidized gym memberships, standing desks, fitness and nutrition challenges, as well as on-site health screenings and flu shots.
